FINES AND ENFORCEMENT.

In the event an Owner, occupant, guest or invitee of an Owner's Lot violates any of the provisions of the Governing Documents, the Board shall have the authority to impose a fine upon the Owner of the Lot for each violation.
2. Upon determining that a violation of the Governing Documents has occurred, the Association or its agent shall give written notice to the Owner by certified mail. The notice shall:
 - (i) describe the violation that is the basis of the fine, and state any amount due to the Association from the Owner;
 - (ii) unless the Owner was given notice and a reasonable opportunity to cure a similar violation within the preceding six (6) months, if the violation is of a curable nature and does not pose a threat to public health or safety, provide that the Owner is entitled to a reasonable period to cure the violation and avoid the fine; and such notice must specify the date, which provide for a reasonable period of time, by which the Owner must cure the violation if the violation is of a curable nature and does not pose a threat to public health or safety;

 - (iv) state that the Owner may have special rights or relief related to the enforcement action under federal law, including the Servicemembers Civil Relief Act (50 U.S.C. app. Section 501 et seq.) if the Owner is serving on active military duty.

In the event of any conflict between the foregoing and the provisions of Section 209.006 of the Texas Property Code, the provisions of Section 209.006 of the Texas Property Code shall prevail. Further, Section 209.006(f) establishes the criteria as to whether a violation is considered a threat to public health or safety; and Sections 209.006 (g), (h), and (i) establishes criteria and examples of "uncurable" and "curable" violations.

In the event an Owner requests a hearing before the Board, the Board shall hold a hearing not later than thirty (30) days after the date the Board receives the Owner's request for a hearing and shall notify the Owner of the date, time, and place of the hearing no later than the tenth (10th) day before the date of the hearing. The Board or the Owner may request a postponement, and if

requested, a postponement shall be granted for a period of not more than ten (10) days. Additional postponements may be granted by agreement of the parties. The Owner or the Association may make an audio recording of the meeting.

Not later than ten (10) days before the Association holds a hearing under these Rules, the Association shall provide an Owner a packet containing all documents, photographs, and communications relating to the matter the Association intends to introduce at the hearing.

If the Association does not provide a packet within the period described by these Rules, an Owner is entitled to an automatic fifteen (15) day postponement of the hearing.

During the hearing, a member of the Board or the Association's designated representative shall first present the Association's case against the Owner. An Owner or the Owner's designated representative is entitled to present the Owner's information and issues relevant to the appeal or dispute.

4. The Notice and hearing provisions of these Rules do not apply if the Association files a suit seeking a temporary restraining order or temporary injunctive relief or files a suit that includes foreclosure as a cause of action.
5. The Association must give notice of the levied fine to the Owner no later than the thirtieth (30th) day after the date a fine has been levied against the Owner. All fines will be due and payable immediately as of the date of the notice stating that a fine has been levied.
