In the event an Owner requests a hearing before the Board, the Board shall hold a hearing not later than thirty (30) days after the date the Board receives the Owner's request for a hearing and shall notify the Owner of the date, time, and place of the hearing no later than the tenth (10th) day before the date of the hearing. The Board or the Owner may request a postponement, and if requested, a postponement shall be granted for a period of not more than ten

(10) days. Additional postponements may be granted by agreement of the parties. The Owner or the Association may make an audio recording of the meeting.

Not later than ten (10) days before the Association holds a hearing under these Rules, the Association shall provide an Owner a packet containing all documents, photographs, and communications relating to the matter the Association intends to introduce at the hearing.

If the Association does not provide a packet within the period described by these Rules, an Owner is entitled to an automatic fifteen (15) day postponement of the hearing.

During the hearing, a member of the Board or the Association's designated representative shall first present the Association's case against the Owner. An Owner or the Owner's designated representative is entitled to present the Owner's information and issues relevant to the appeal or dispute.

5. The Association must give notice of the levied fine to the Owner no later than the thirtieth (30th) day after the date a fine has been levied against the Owner. All fines will be due and payable immediately as of the date of the notice stating that a fine has been levied.
